# Annual Report 2021 - 2022

## ANNUAL REPORT 2021-22

The times have changed and we were on the path of change to face the epidemic. We have developed ourselves and made an impact in our curriculum as a whole. We have empowered ourselves with updating technology into our academic performance and supported the faculty in delivering their best while assisting the student in their performance in curriculum.

The academic year commenced with an online mode of operation, where teaching and non-teaching staff participated in various orientation programs specifically designed to enhance their expertise in online teaching methodologies and online file management. The various UG and PG programs welcomed a total of 849 students to the college. To facilitate the smooth transition of newcomers, each department organized an orientation program called "Deeksharambh." We had our NAAC peer team visit on November 22nd and 23rd and received an A grade (3.25 CGPA) accreditation in the 4th Cycle.

As a result of the inclusion of the new course, B. Voc. Broadcasting and Journalism, the total number of undergraduate (UG) programs has reached 16. Additionally, the institution offered 9 Add-on/Certificate programs. Out of the total number of students, 259 students enrolled in Certificate/Add-on programs.

During the academic year 2021-22, we made significant additions to our infrastructure to enhance the overall student experience. We introduced a range of new facilities aimed at providing numerous benefits to our students. These additions include an open gymnasium, a dedicated recording studio, the installation of smart boards in nearly all classrooms, the implementation of a lift facility, and the renovation of our digital library. The expenditure for maintaining infrastructure, including physical and academic support facilities, amounted to INR 368.05 lakhs during the year.

Next, we move onto the details of the research activities during the year. The institution received grants totalling INR 16.76 lakhs from both government and non-governmental agencies for research projects. Two teachers awarded with PhD degrees in the academic year makes the total number of teachers with PhD degrees twenty three. Four teachers were registered for Ph.D. during the year 2021-22. Approval of three recognized research guides in the academic year makes the total number of research guides in the college seven. Six research papers and thirteen book chapters were published by faculties. The institution entered into 9 functional Memorandums of Understanding (MoUs) with institutions, universities and industries. There were 19 collaborative activities carried out for research, faculty exchange, and student exchange/internship.

71 workshops/seminars were conducted on Research Methodology, Intellectual Property Rights (IPR), and entrepreneurship. Additionally, the institution conducted 5 extension and outreach programs through various departments and cells like NSS/NCC. Moreover, the institution received 5 awards and recognitions for its extension activities from government and government-recognized bodies.

In terms of university examinations, 374 final-year students successfully passed, out of a total of 648 students who appeared for the exams. Moreover, students from the institution participated in 98 sports and cultural events/competitions throughout the year. Finally, 30 awards/medals were received for outstanding performance in sports and cultural activities at the university, state, national, and international levels. Additionally, 41 students qualified in state, national, and international level examinations such as JAM, CLAT, NET, SLET, GATE, GMAT, CAT, GRE, TOEFL, Civil Services, and state government examinations. Furthermore, 667 students undertook project work, field work, or internships as part of their academic pursuits.

Regarding the placement and progression of the academic year, 109 outgoing students were successfully placed in various positions, and 267 outgoing students progressed to higher education.

1098 students benefited from scholarships and free ships provided by the Government and 182 students were provided scholarships via non-governmental institutions or agencies.

The alumni meet for the year 2021-22 took place on October 10th, 2021. Alumni members returned to their alma mater to renew their connection with the institution. Former students from various batches of the college congregated for the event, aiming to strengthen their ties with the institution and contribute to the college's progress and growth.

## **Clubs & Cells activities**

### **National Service Scheme (NSS)**

**Teachers’ Day – with free vaccines:**

St. Paul's College Kalamassery took a unique approach to celebrate Teachers' Day. Recognizing that several students at the college had not yet received their first dose of the Covid vaccination, the teachers and staff made the decision to mark the occasion by providing vaccines to all eligible students. This effort aimed to transform the campus into a fully vaccinated environment, safeguarding the well-being of the students and their families. The Social Outreach Committee of St. Paul's College Kalamassery coordinated this program.

I would also like to express my heartfelt appreciation for the dedicated services rendered by Mr. Jose Xavier and Dr. Sumitha Franklin, the Vice Principals of St. Paul’s College. The cooperation and support extended to me by all the members of the teaching and non-teaching staff of the College are also deeply acknowledged. Above all, I offer my gratitude to Almighty God and our Heavenly Patron St. Paul the Apostle for the abundant blessings we received throughout the previous academic year.
