(Affiliated to Mahatma Gandhi University, Kottayam)

Kalamassery, HMT P.O., Ernakulam- 683 503. Kerala-India

Annual Report 2022 - 2023

Annual Report 2022-2023

After a few years that reflected the aftermath of the epidemic, this academic year witnessed a smooth functioning and full swing run of the college. We have equipped ourselves to adapt to the changing educational scenario and developments in the field of higher education. We have empowered ourselves with updating technology into our academic performance and supported the faculty in delivering their best while assisting the student in their academic performance. The various UG and PG programs welcomed a total of 849 students to the college. To facilitate the smooth transition of newcomers, each department organized an orientation programme 'Deekshaarambh' which had two sessions; one, a central session and the other department wise. Centralized programme saw the students being addressed by the Manager, Director, Principal and popular motivational speakers Dr Mary Matilda and Mr Vipin P Roldant. An induction programme was also organised for the faculty members in the beginning of the academic year. Apart from their regular activities, this year we could organize a workshop for the administrative staff of various institutions in association with the DyDCE, Ernakulam.

On the research front, 5 of our teachers -Mr Binil Kumar M. R., Ms. Lima Sunny and Ms.Sreelakshmi J. from the English Department, Mr Shiju C.R from the Commerce Department and Ms. Mary Vijila from the Physics Department received their Doctorate degrees this year. Dr Rajeshmon V. G and Dr Poornima N from the Physics Department and Dr Tresa Sunita George from the Chemistry Department were recognized as Research Guides by Mahatma Gandhi University. Our faculty also showed keen interest in publishing their findings in various national and international journals during this academic year, giving an output of more than 30 publications. Our faculty Dr Asha E Thomas bagged an ICSSR Major Project and its indeed a great prestige. During the academic year 2022-2023, our College signed a memorandum of understanding (MOU) with International Skill Development Corporation (ISDC).

Infrastructural facility

On the infrastructure front, our RUSA funded building has neared completion. Initiatives for installing smart boards in a few of the remaining rooms are also in progress.

Clubs & Cells activities

Through a wide range of projects and programmes, we at St. Paul's College are committed to achieving our objective of igniting constructive change in our nation and community. These initiatives support the real goal of education while also assisting in moulding the minds of our children. Our clubs and cells have been active in organising offline and online activities that encourage participation and teamwork among our students.

National Service Scheme (NSS)

The NSS (National Service Scheme) plays a significant role in conducting several key programs. NSS used to observe Day Observations like Independence Day, Republic Day, world environment day, International Yoga Day, World Nature Conservation Day etc. NSS organized Adi Shakti summer school works for the tribe, seminar on the topic “Fighting climate change through diet”. In connection with international day against drug, NSS conducted an anti-drug rally to create awareness against drugs. During the academic year 2022-2023, NSS conducted pride month celebrations named “New Normal”, Vanamaholsavam, debate and poster making competitions on world population day, cycle rally as a part of additional skill acquisition programme etc. In connection with Independence Day celebrations, NSS organized Article and

Annual Report 2022-2023

poetry writing competition, photography competition, freedom rally, freedom wall creation, independence day quiz, the plank challenge etc. As a part of the cup of life initiative, volunteers of NSS unit 38 of St Paul's college attended a mega training session of cup of life at IMA House Kaloor. Related to Brahmapuram waste plant fire, the volunteers of NSS Unit 38, distributed masks among the workers working in areas with grave smoke exposure. As a part of palliative care unit inauguration, NSS unit distributed wheelchairs for the disabled. NSS unit 38 of St. Paul's College jointly with Department of Agriculture and Farmer's Welfare organized the Vegetable Development Project 2022-23.

National Cadet Corps (NCC)

The college's NCC unit is an exemplary symbol of patriotism, committed to fostering in its cadets a deep love and unshakable dedication to our country. With each training session and activities, the cadets are shaped into defenders of their nation's honor, filled with a sense of responsibility and sacrifice. The cadets exercise under the direction of experienced instructors,

Annual Report 2022-2023

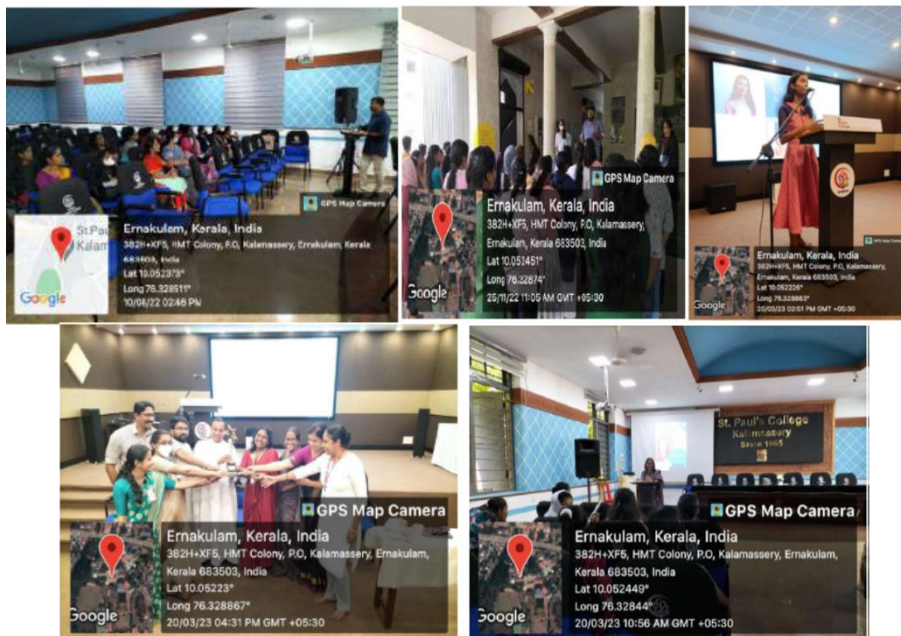

honing both their physical skills and instilling a strong feeling of patriotism in their hearts. Vijay Diwas commemoration was conducted by the NCC unit of St. Paul's College. Cadets observed and commemorated the sacrifices made by the martyrs on 26th July 2022. Students were made aware of the efforts and sacrifice made by Indian armed forces during the Kargil conflict and to cherish and guard the honor of our Great Nation. Republic Day was commemorated by the NCC unit on 26 January 2023. Principal Dr. Savitha K.S hoisted national flag followed by Republic day parade by NCC Unit. Manager of college Fr. Varghese Valiyaparambil inspired the gathering with his Republic day message. The event was successful with the active participation of students and faculty members across the departments of the college. Independence Day was commemorated by NCC unit on 15 August 2022. Principal Dr. Savitha K.S hoisted national flag followed by Independence Day parade by NCC Unit. Manager of college Fr. Varghese Valiyaparambil inspired the gathering with his Independence Day message. Freedom wall was completed in campus jointly by NCC cadets and NSS volunteers to commemorate 75 th anniversary of the Independence. NCC unit associated with equal opportunity cell for making students aware about concept of human rights. NCC unit associated with electoral literacy club for the inauguration of later. Chief guest of the function was Assistant collector Harshil R Meena IAS. Followed by, A Talk on Democracy, Politics and youth By Asst. Prof. Davis Titus, Pamphlets signifying the relevance of the Electoral system was distributed to faculty and students after the event. An interactive session on Addiction, Substance abuse & prevention sessions by Shubin Shaji Varghese, District Coordinator, Dream Kochi. Students were made aware about the social and health implications of Drug Abuse.

Annual Report 2022-2023

IQAC

In the College, IQAC coordinates all the quality-related activities and efficiently integrates the academic process to ensure the adoption and dissemination of good practices. The cell regularly conducts the internal and external academic audit among the departments to ensure the continuous performance. Three sessions of ‘iTrasform’ administrative training programs were organized in the college during the academic year 2022-2023. Celebration of Constitution Day of India was celebrated on 25/11/2022 at 11 am at College Portico. The Pauline Star Awards Grand Finale was conducted on 20-03-2023. Pauline Star Awards celebrate students’ hard work, and success in college. They play an important role in recognizing student achievements as academic learners, performers, leaders, and champions for a cause. Ms. Anisha Maria Job, III BA English Model II has won the best outgoing student all rounder award of St. Paul’s College in the academic year 2022-2023. IQAC organized various workshops and seminars during the academic year 2022-2023.

Annual Report 2022-2023

Equal Opportunity Cell (EOC)

The Equal Opportunity Cell (EOC) at our institution is a beacon of inclusivity, extending a helping hand to differently abled students and offering them a platform for boundless creative expression. The EOC is a champion of empowerment, working to remove obstacles and establish fair conditions so that each person can succeed. The EOC makes sure that students with disabilities have access to the tools and accommodations they require to succeed academically and beyond by providing a variety of specialized support services. Every effort is taken to meet the individual needs of each student, whether that means providing individualized help, specialized learning materials, or assistive technologies.

Debate club

Debate club in association with Department of Economics of St.Paul's College, Kalamassery has organised an interdepartmental debate competition on the theme "Do we need a gender neutral society?" Seven teams from different departments participated in the competition.

Women's Development Cell (WDC)

The Women's Development Cell's initiatives operate as crucial forums for discussion and action, probing social conventions and promoting significant change. through encouraging dialogue, exchanging information, and elevating voices. Our goal is to build a more equal and inclusive society where everyone, regardless of gender, may prosper. College took part in the Cup of Life project, which was organised in collaboration with the District Administration of Ernakulam, the Indian Medical Association (IMA), and Mr. Hibi Eden, M.P. The nodal officer and student trainers underwent training sessions at IMA House, Kaloor. Numerous training sessions were then arranged for the College's personnel and students. Menstrual cups were given to instructors and students on September 2, 2022, during the last training and distribution session. A self-defense session 'Nirbhaya-No longer silent' was organised by the Women's Cell and the Physics Department on March 9, 2023, at 10:15 AM in Baccinelli Hall. Renshi Suma A.S., National Fighting Champion, and Mr. Koshy Anil Kumar led the class, which concentrated on fundamental self-defense moves. The goal of the workshop was to give participants stress-reduction and self-defense techniques.

Mentoring Cell & Counselling Cell

The Mentoring and Counseling Cell is crucial in supporting students' personal and professional development. It provides guidance, emotional support, and career advice to help students navigate their academic journey successfully. The Mentoring and Counseling Cell at St. Paul's College strives to create a supportive environment where students can thrive academically and personally. The cell contributes significantly to students' holistic development by providing guidance, mentorship, and counselling. The cell provides one-on-one counselling sessions to address students' emotional and psychological well-being, Students can discuss academic, personal, or family concerns with trained counsellors, The cell conducts workshops to help students explore their interests, strengths, and areas for improvement. Workshops cover topics such as self-awareness, goal-setting, and time management through the value education cell.

Annual Report 2022-2023

The college's mentoring initiatives are comprehensive and multifaceted, aiming to support students' holistic development. Under counselling services, personalized sessions address emotional and psychological well-being, while collaborations with "Ashwas Centre for Counseling, Psychotherapy & Meditation, Kochi," and health awareness workshops further enhance student welfare. Mentorship programs involve faculty members guiding students in academic and career paths, offering advice and motivation to foster focus and diligence, with each mentor catering to 15-25 mentees based on departmental needs. Additionally, self-exploration workshops facilitate student exploration of interests, strengths, and areas for improvement, covering topics like self-awareness and time management through the value education cell. These initiatives collectively nurture students' academic success, personal growth, and overall well-being.

Encon Club

ENCON CLUB is a purely voluntary non profit group activity of students aimed at practising energy conservation and environmental protection. This gives a platform for the members to acquire process and share knowledge on the subject. The main objective of the club is to drive home the message of energy conservation and environmental protection in the minds of students by planning and organizing regular activities. As part of world environment day celebrations, Department of Chemistry in association with Encon club organized an invited talk on "One planet One future", interdepartmental Essay writing competition on the topic "One Earth", Quiz competition and planted trees in the College campus, As part of World Ozone Day celebration 2022 Department of Chemistry in association with Encon Club organised a seminar on "Ozone Layer-Global Cooperation Protecting Life on Earth".

Annual Report 2022-2023

Literary Club

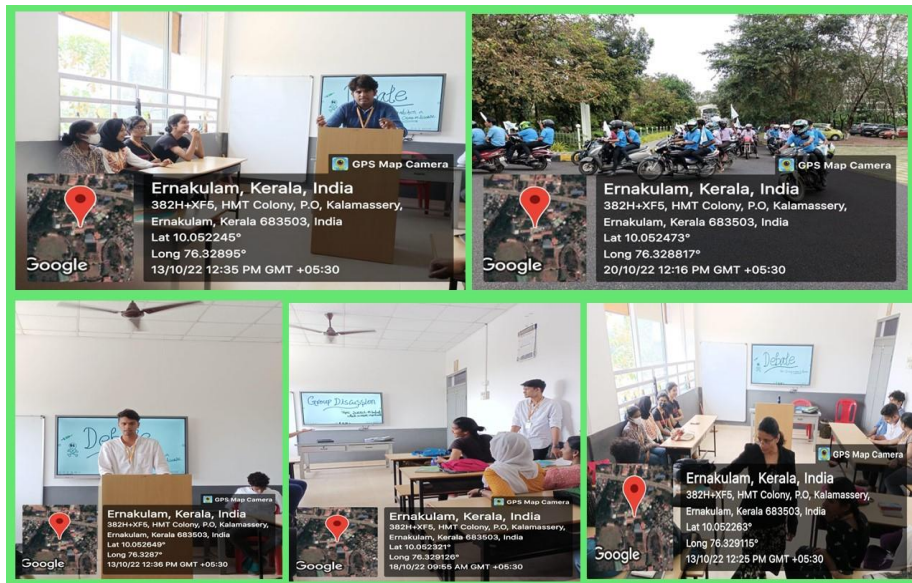

Literary club, language departments and college library organized reading week celebrations. Book talk, workshop on story telling, character review, motivational talk and book review competition were conducted as a part of reading day. Essay writing competition was also conducted during independence day celebrations.

Nature Club

The Nature Club of St. Paul's College was established in 1996. The main objectives of the club are to make aware the students the importance of environmental protection, sustainable use of resources and conservation of biodiversity. The main activities of the club are organizing seminars, exhibitions, tree planting, taking students to nature camps and trekking to wild life sanctuaries and national parks. Nature club in association with Department of Physics started a Butterfly Garden at the college yard as part of the green initiative. Nature Club in association with Department of Banking and Financial Services celebrated Environment Day. The students planted saplings of different kind in the college premises. Saplings were distributed to students for planting it at their home.

Oratory Club

The club remains committed to providing opportunities for students to hone their skills in public speaking and engage critically with the pressing issues of the time. The events arranged would focus on the aspect of inclusiveness so that students remain alive to the topical issues facing students' and the world outside. The club offers a platform for students to improve their communication skills and develop an assertive personality that may help them navigate challenges of later life. An elocution competition was conducted in association with the Anti-Drug Campaign by the Oratory Club. The topic was "Celebrating National Unity without drugs and tobacco". In connection with the anti drug awareness programmes coordinated by the Govt. of Kerala Excise Department, classroom debates were conducted on the topics "Is Drug addiction a crime or a disease?" "Talking against Drugs" and "Is Drug menace a reality?". Group discussion on the topic "Science or Belief, what is more important" was also conducted as a response to the human sacrifices that took place at Elanthoor in Kerala in October. Oratory club of St. Paul's College Kalamassery organized an Anti-Narcotic Motor cycle rally with the tagline "Come with us and Be Drug Free".

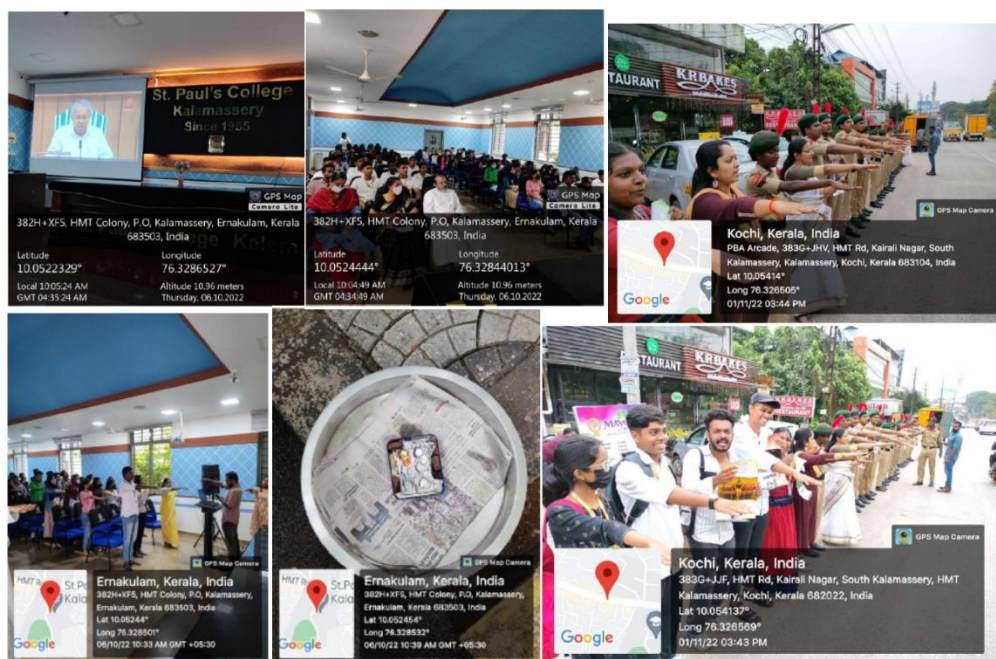

Quiz Club

The Quiz Club of St. Paul's College, Kalamassery has been formed to hone the quizzing skills and encourage the talents of the student community. Besides conducting quizzes and forming the college teams, it also facilitates the students' participation in quiz programmes in other institutions.

AD_AT cell

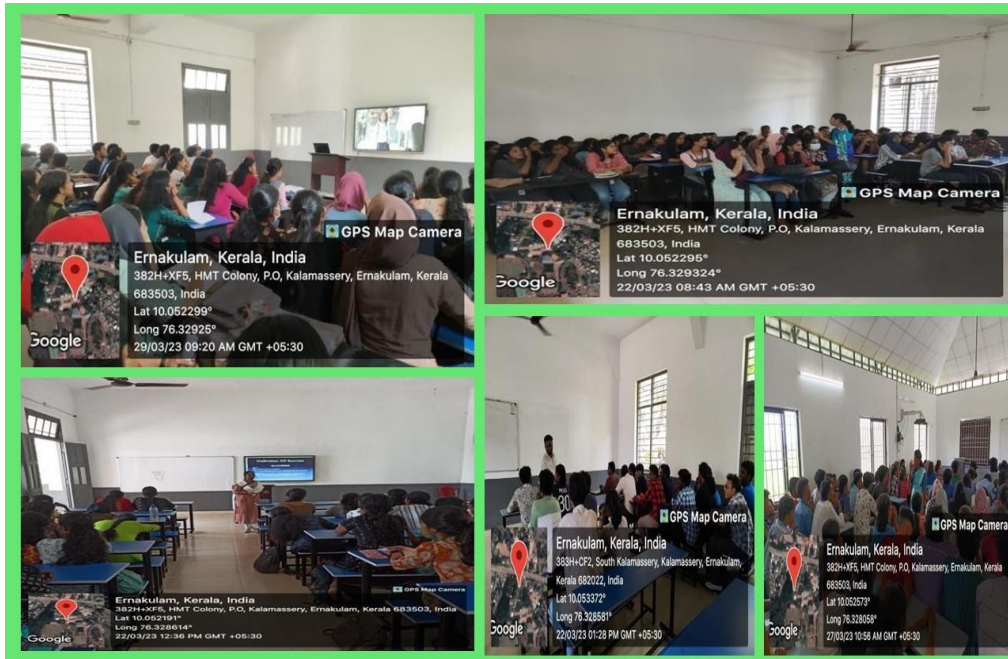

The college level inauguration of Anti-drug Campaign was held on 6.10.2022. Fr Felix Chakkalakkal, Director presided over the meeting. Dr. Savitha KS, Principal inaugurated the programme. Students understood the seriousness of drug menace in society and pledged against the sale, peddling and use of drugs. The symbolic disposal of drugs by burning outdated prescription drugs was conducted in the college premises on October 6th, 2022. PTA awareness programme was held on 07.10.2022 and parent representatives from each Department participated in the awareness programme.

Value Education

Value Education classes were offered to first-year undergraduate students in all departments during the 2022–2023 academic year. The curriculum included topics on motivation and leadership, success and happiness, habits of effective people, civics and patriotism, and basic etiquette. A good learning environment is promoted by value-based education, which also improves academic performance and develops social and relationship skills that will endure a lifetime. This method optimises teaching and learning time while lowering stress. Through the development of problem-solving, critical thinking, communication, decision-making, creative thinking, interpersonal, self-awareness, empathy, and stress coping abilities, students are better equipped to face both personal and societal issues. These skills also create self-esteem and social awareness.

Annual Report 2022-2023

Football club

A staff football match was organized by Football Club and Department of Physical Education in association with Coca Cola on 12st December 2022. A total of 150 students actively participated in the Programme. The Penalty Shootout was conducted in connection with the FIFA world cup 2022. The event was very successful.

The departments fought for betterment and completed various tasks for a perfect delivery of academics through their activities. Conferences, Seminars, workshops, interactive sessions, and inter- and intra-College competitions were organized in association with various bodies and gave exposure to knowledge from various channels.

Entrepreneurship Club (IEDC)

Various Departments conducted International webinars, National and College level seminars, workshops, exhibitions, interactive sessions, motivational talks, outreach programs, research aptitude development programme etc. in association with IIC and IEDC.

Jesus Youth

The objective of Jesus Youth is to provide opportunities to ensure spiritual growth of the catholic students of the college. The coordinator and the members of Jesus Youth gather every Friday at 11.15 a.m. at the college chapel to have open discussions and motivational talks to ease the strenuous life of the youngsters irrespective of their religious differences.

Student's Achievements:

St. Paul's College offers diverse platforms to students, enabling them to develop their skills in various aspects of life. The college recognizes the importance of not only academic pursuits but also extracurricular activities, sports, and community outreach programs. Throughout the year, departments organize seminars and conferences, providing opportunities for students to interact with distinguished guests and speakers from diverse fields of expertise. Our students consistently bring us pride through their exceptional academic achievements, active involvement in music, art, and theater, dedicated efforts in prestigious internships, and remarkable performances in sports:

Teachers and Non-Teaching Staff Retired:

Ms. Maya K, Department of Mathematics retired from the service during the academic year 2022-2023.

A Word of Gratitude:

On this occasion, I would like to express my sincere gratitude for the immense cooperation and goodwill shown by the management, faculty and non-teaching staff, students, parents, alumni, media, and the public. I extend special thanks to Rev. Fr, Varghese Valiyaparambil, the manager of the College, Rev. Fr. Raphael Kalluveetil, Assistant manager, Rev. Fr. Felix Chullickal, Coordinator of Public relations, Prof. Jose Xavier along with all members of the Managing Board for their unwavering encouragement, support, and invaluable advice. I would

Annual Report 2022-2023

also like to express my heartfelt appreciation for the dedicated services rendered by Mr. Jose Xavier and Prof. (Dr.) Pramada Ramachandran the Vice Principals of St. Paul's College. The cooperation and support extended to me by all the members of the teaching and non-teaching staff of the College are also deeply acknowledged. Above all, I offer my gratitude to Almighty God and our Heavenly Patron St. Paul the Apostle for the abundant blessings we received throughout the previous academic year.

Principal
