RECENT TRENDS & RESEARCH PROSPECTS IN FINANCIAL MANAGEMENT

4th and 5th February 2025

About the College

St. Paul's College, affiliated to Mahatma Gandhi University and Regulated by UGC is a prestigious arts and science college which functions under the Archdiocese of Verapoly. The College was founded by Dr. Joseph Attipetty, the late Archbishop of Verapoly.

The College started functioning from 13th July 1965 imparting instruction to students for the two year Pre-Degree Course. The first degree course, B.Com. was introduced in the year 1978 and gradually other degree courses such as B. Sc. Physics, B. Sc. Mathematics and B. A. Economics were introduced. St. Paul's College became a first grade college with the introduction of M. A. Economics in the year 1982. At present the college offers postgraduate courses in Economics, Physics, Mathematics, Chemistry, Commerce and English. The Departments of Physics, Mathematics and Commerce are research centres of Mahatma Gandhi University.

About the Department

The Department of Commerce was started in 1978 with the B.Com course .This is the first undergraduate course started in St. Paul's College, Kalamassery. The Department was upgraded to the Post Graduate Department in the year 2001 with the introduction of M.Com Finance. Department was further awarded with two more UG courses under M.G. University ie B.Com Computer Application and B.Com Cooperation . Department was recognised as research Centre by MG University on August 2024. Currently there are 15 faculty members in the department out of which 2 are recognised as research guide by MG University.

About the Seminar

Financial Management is one of the core subjects in discipline of Commerce and is also a unique blend of concepts from Economics, Commerce and Management. This makes the subject an ever evolving one with copious scope for research, having its own practical application in day to administration of modern corporates and also acts as a base for strategic commercial and business decisions. Seminar aims at facilitating an open discussion among the academic community about the recent trends and developments happening in the field of financial management and to evaluate the prospects for research in the subject which would in turn become an application in subject and an addition to the knowledge in the discipline.
