SEMINAR ON “CAREER GUIDANCE

The Department of B.Voc Logistics Management organized a Seminar on “**Career Guidance**” in collaboration with **Amity Global Business School** on **22 August 2025** at **SF Building**. The programme was conducted from **10:00 AM onwards** with the objective of guiding students towards informed career choices and enhancing their employability skills.

The session was led by **Prof. Biju Vithayathil**, who shared valuable insights on career opportunities in logistics, supply chain management, higher education prospects, industry expectations, and skill development. The resource person emphasized the importance of professional competencies such as communication skills, leadership, teamwork, problem-solving abilities, and continuous learning in achieving career success.

The seminar provided students with a comprehensive understanding of emerging career opportunities and the changing dynamics of the job market. An interactive discussion session enabled participants to clarify their doubts regarding career planning, higher studies, certifications, and employment prospects.

The programme witnessed enthusiastic participation from both students and faculty members. A total of **70 students** and **2 teachers** attended the seminar. The event proved to be highly beneficial in motivating students to set clear career goals and prepare themselves for future professional challenges.

Outcome: Enhanced awareness of career opportunities, improved understanding of employability skills, and increased motivation among students for career planning and professional development.

GLOBAL CAREER PATHS AFTER B.VOC LOGISTICS MANAGEMENT & BBA

The Departments of BBA and B.Voc Logistics Management jointly organized a career guidance session on **“Global Career Paths after B.Voc Logistics Management & BBA”** on **25 November 2025** at **Baccinelli Hall** from **12.00 pm to 12.30 pm**. The programme was coordinated by **Asst. Professor Amrutha Ouseph** and **Asst. Professor Shahana P.S.**

The session was led by **Agnel Worth**, representing **Geebee Education**. The resource person provided valuable insights into global career opportunities available for graduates of B.Voc Logistics Management and BBA programmes. He highlighted international higher education options, scholarship opportunities, admission procedures, and the growing demand for logistics and business professionals in global markets.

The session also focused on industry expectations, employability skills, and professional competencies required for success in international careers. Students actively participated in the interactive discussion and clarified their queries regarding overseas education and global employment prospects.

The programme was attended by **44 students** and **4 faculty members**. The session enhanced students' awareness of international education pathways and global career opportunities, enabling them to make informed decisions regarding their future academic and professional pursuits.

LOG TALKS

The Department of B.Voc Logistics Management organized “**LOG TALKS**” on **06 January 2026** at **RF1, RUSA Block**. The programme aimed to provide students with practical insights into the logistics industry and enhance their understanding of current trends, challenges, and career opportunities in the field.

The session commenced with a welcome address by **Ms. Praveena P. Pai**, Head of the Department and Assistant Professor. This was followed by a welcome speech delivered by **Mr. Jeevan**, the Third Year Student Coordinator. The resource person, **Umesh C K**, shared his industry experiences and discussed the evolving landscape of logistics and supply chain management. He highlighted the importance of professional skills, industry readiness, and emerging opportunities in the sector.

The session was highly interactive, with students actively participating in the question-and-answer segment and seeking clarification on various aspects of logistics operations, career prospects, and industry expectations. The programme concluded with a vote of thanks delivered by **Ms. Thanusree**, a Second Year student.

The event witnessed enthusiastic participation from both students and faculty members and served as an effective platform for industry-academia interaction.

SEMINAR ON “CONVERTING INTERNSHIP EXPERIENCE INTO A PROFESSIONAL REPORT”

The Department of B.Voc Logistics Management organized a seminar on **“Converting Internship Experience into a Professional Report”** on **05 February 2026** at **RSF 03**, St. Paul’s College, Kalamassery. The programme was conducted with the objective of guiding students on effectively documenting and presenting their internship experiences in a professional and academic format.

The session was handled by **Bhagyalakshmi S Pai**, Assistant Professor, Department of Management & Professional Studies, **Rajagiri College of Social Sciences**. The seminar was coordinated by **Asst. Professor Amrutha Ouseph** and **Asst. Professor Antony Arjis P.S.**

During the session, the resource person emphasized the significance of structured report writing, clarity in presentation, and professional documentation. Detailed guidance was provided on report formatting, chapterisation, data presentation, analysis, findings, and recommendations. Practical examples and best practices were shared to help students understand the standards expected in internship reports and avoid common errors in report preparation.

The seminar was highly interactive, with students actively participating in discussions and seeking clarification regarding report preparation, evaluation criteria, and academic expectations. The programme proved to be informative and beneficial, enabling students to gain confidence in transforming their internship experiences into comprehensive and professionally presented reports.

The event concluded with expressions of gratitude to the resource person, faculty coordinators, and student coordinators for their valuable contributions to the successful conduct of the programme.

WORKSHOP ON “HOW TO CRACK COMPETITIVE EXAMS?”

The Department of B.Voc Logistics Management organized a workshop on **“How to Crack Competitive Exams?”** on **23 January 2026** at **RSF 02, RUSA Building**. The programme was conducted with the objective of helping students develop effective preparation strategies for various competitive examinations and enhancing their confidence to face such examinations successfully.

The session was handled by **Hardy Joseph** and **Renu Francis** from **T.I.M.E. Kochi**. The resource persons provided valuable insights into the preparation methods required for major competitive examinations such as CAT, KMAT, Bank Tests, and other national-level aptitude examinations.

The workshop focused on understanding examination patterns, strategic preparation techniques, time management, problem-solving approaches, and methods to improve accuracy and speed. Students were introduced to practical tips for tackling aptitude, reasoning, and quantitative sections effectively. The speakers also emphasized the importance of consistency, self-discipline, and regular practice in achieving success in competitive examinations.

The programme was highly interactive and enabled students to gain a clear understanding of the challenges and opportunities associated with competitive exams. The workshop concluded with expressions of gratitude to the resource persons, organizers, and supporting agencies for their valuable contributions.

EDU REUSE – PASS IT ON: BOOKS FROM SENIOR TO JUNIOR

The Department of B.Voc Logistics Management organized **“EDU REUSE – Pass It On: Books from Senior to Junior”** on **08 October 2025** at **RSF 1**. The initiative was undertaken by the second and third-year students with the objective of promoting sustainable practices, resource sharing, and academic support among students.

The programme encouraged senior students to donate their used textbooks, reference books, and study materials to their juniors. This thoughtful initiative helped extend the life cycle of educational resources, reduce unnecessary expenditure on books, and minimize paper waste. The event highlighted the importance of responsible consumption and environmental sustainability within the academic community.

Through the sharing of books and learning materials, students fostered a spirit of cooperation, generosity, and mutual support. The programme also strengthened the bond between senior and junior students by creating a culture of mentorship and knowledge sharing. The donated books carried not only academic content but also valuable notes, insights, and experiences that could benefit future learners.

The event received enthusiastic participation from students and faculty members, reflecting the department’s commitment to sustainable and student-centered initiatives.

INDUSTRIAL VISIT TO TEA MUSEUM, WAYANAD

The Department of B.Voc Logistics Management organized an **Industrial Visit to the Tea Museum, Wayanad** on **12 December 2025** as part of the academic curriculum for second-year students. The visit was conducted from **10.00 a.m. to 1.30 p.m.** with the objective of providing students with practical exposure to industrial operations and logistics practices in the tea industry.

The visit was led by **Mr. Antony Arjis P.S.** and **Ms. Celine Jomol**, faculty members of the Department of Logistics Management. During the visit, students were introduced to the history, production processes, and operational activities of the tea industry. They had the opportunity to observe various machinery and equipment used in tea processing and understand the flow of materials from production to distribution.

The industrial visit provided valuable insights into management practices, inventory handling, production planning, transportation, and supply chain activities associated with the tea sector. Students also gained an understanding of the challenges and opportunities within the industry and learned about the organization's commitment to quality standards and corporate social responsibility.

The programme served as an excellent platform for bridging the gap between theoretical knowledge and practical application, enabling students to understand real-world industrial operations and logistics management practices.

WAREHOUSE VISIT TO POOMKUDY AGENCIES, KAKKANAD

The Department of B.Voc Logistics Management organized a **Warehouse Visit to Poomkudy Agencies, Kakkanad** on **29 September 2025** for the first-year students as part of the academic curriculum. The visit was conducted from **10.30 a.m. to 01.00 p.m.** with the objective of providing students with practical exposure to warehouse management and logistics operations.

The visit was led by **Ms. Amrutha Ouseph** and **Ms. Celine Jomol**, faculty members of the Department of Logistics Management. During the visit, students were introduced to various warehouse functions and operational processes. The staff at the organization provided detailed explanations regarding warehouse layout planning, storage systems, inventory control techniques, material handling procedures, and the use of technology in warehouse management.

Students had the opportunity to observe the coordination of inbound and outbound logistics activities, stock movement, order processing, and inventory tracking systems. The visit offered valuable insights into how efficient warehousing contributes to the smooth functioning of the supply chain and customer service operations.

The programme enabled students to connect theoretical concepts learned in the classroom with practical industry applications, thereby enhancing their understanding of logistics and warehousing practices.
